

MONSTER COOKIES

1 Dozen Eggs 1 lb. Butter
2 lb. Brown Sugar 3 lb. Peanut Butter
4 C. Sugar 18 C. Oatmeal
1 Tbsp. Vanilla 1 lb. Chocolate Chips
8 tsp. Soda 1 lb. M&M's Candy

Mix together ALL items in a large tub or sink.
Drop by ice cream scoop and slightly flatten (about 6 cookies to a sheet)
Bake at 350 Degrees for 12 Minutes.

Makes about 100 Cookies!

I would make my cookies in different sizes too. Depending on the event.
You can make the cookies smaller if desired.

And it can be an all day event with this much cookie dough!
I promise these will be a BIG HIT and well worth the trouble!

Enjoy!

PS... another thing i learned about these cookies:
They do better if you let them cool right on the same cookie sheet.
They will hold together better!
